# CABLE GRIP ADAPTERS

Cable gripping pliers are an essential tool for installation without damaging or fraying cables. The cable grip adapters are compatible with **10R/10" straight jaw locking pliers**. Easily install the adapters by sliding the adapter blocks over the locking plier jaws, clamping them onto a 1/8" cable to ensure proper alignment, and tightening the set screw with a 1/8" hex key (included).

 **WARNING:** This product can expose you to chemicals including Quartz (crystalline silica), which is known to the State of California to cause cancer, and Hexavalent Chromium, which is known to the State of California to cause birth defects or other reproductive harm.
