

KEY-LINK™
FENCING & RAILING

CABLE THREADING NEEDLE

Use the Key-Link threading needle to effortlessly string cable ends through any kind of through-post without catching or fraying. Simply slide the needle over the end of the cable and slide through your post to make quick work of threading cables time and time again.

WARNING: This product can expose you to chemicals including Quartz (crystalline silica), which is known to the State of California to cause cancer, and Hexavalent Chromium, which is known to the State of California to cause birth defects or other reproductive harm.
